

To Whom it may concern, I Mr  
CV18-8813-VBF(SHK)

Green got jump on and beat up by  
10 or 15 police officer in LA county. All  
the doctor lied at LCMC medical to  
try and cover it up so at st. Mary  
Hospital in Long Beach said they had to cut  
my head open and did surgery on me  
the medical records are still there and  
all im asking for is justic' and money damages  
about one million or more for what they  
did to me in the medical part of the jail  
where they keep medical people at in LA  
county and i saw the cop that jump me  
with all them other cop. his name is "Morbic"  
they made him "Senior" at the jail right now!  
And at that time they didn't have camera up  
in 2013 and didn't stop beating me with the  
Handcuff on behind my back on the floor  
so then if senior didn't come and make them  
stop I Mr Green would be dead and they would  
of got away with murder on me god know who  
else they kill in there LA. So can you see about
